CHACWATER WINERY &
OLIVE MILL

Happy Valentines Day club members and friends! Hope you all enjoy the day.

Our Chacewater wine team has been busy topping barrels and preparing our 2024 white wines and rose for bottling. The wines in tank, are very aromatic and taste delicious. We cannot wait to introduce them to you all.

This month, Ryan our Arizona sales rep. began contacting wine and olive club members in Phoenix, offering to come to a club members home and present a wine and olive oil tasting to any small groups of friends they invite. The first one was a success with every one enjoying the wines and a lot of surprises on the olive oil tasting. It is not very often people unfamiliar with our brand get to taste fresh Extra Virgin olive oils. Gia, a longtime friend and club member, has offered to help start the same program here in NorCal. Anyone interested in hosting a gathering for a tasting, please let us know, we can try to set up as tasting anywhere in the US.

We continue to compost and prune, as weather permits, our 3,500 olive trees. The rain will help the grove and we are looking forward to seeing bloom this spring. Matt, in the vineyards, is also busy pruning the grapes as well.

Next month we will have our first ever Club Member pick up/Bingo party! Set for March 22nd, 2025 from 5pm to 8pm! Please let us know if you can make it as soon as you can.

Best,

Paul Manuel

Message from Matt

We're excited to kick off another year in the vineyard! Our team has begun the careful process of pruning our organic vines, setting the stage for a strong and healthy growing season. By using natural farming methods, we nurture the land and vines in a way that enhances the unique characteristics of each grape variety.

Our commitment to organic practices means we avoid synthetic chemicals, instead relying on sustainable techniques that promote biodiversity and soil health. Every step we take—from pruning to harvest—is aimed at producing high-quality fruit, ensuring that each bottle of wine captures the true essence of our vineyards. We can't wait to share this season's journey with you!

Spring Wine & Olive Oil Club Selections

2020 Malbec

This small-lot bottling showcases intense dark fruit notes, undertones of mint and leather, and fine tannins leading to a bright finish. Aromas of sweet pecan, raspberry, and dried rose petals lead to an intriguingly lush and open palate of warm dried cherries, oak, and marzipan. **\$35/btl**

2024 Chardonnay

This is a really fresh Chardonnay. Aged in stainless steel with no oak influence. The wine is bright and clean. Aromas of golden apple, pineapple and pear. Medium bodied, smooth and creamy in texture with bright and fresh fruit on the palate and a clean finish. Enjoy with pasta dishes or oven baked white fish. **\$28/btl**

Allegra Olive Oil

Mission Olive Oil

Olive oil offers a wealth of benefits, both for health and flavor. Packed with anti-inflammatory antioxidants, vitamins, and minerals, it supports heart health, helps maintain a balanced diet, and contains zero dietary cholesterol.

Many chefs and food lovers also appreciate the ranges of its taste, robust aroma, and pure fruit flavor, making it a standout choice for culinary creations.

We hope you enjoy the oils for this quarters club selections. Nothing like extra virgin olive oil—pure, flavorful, and full of natural goodness!

2020 Krev Malbec

KREV is the Cornish word for power and robust. Krev Black Label Malbec is a blend of Malbec grapes sourced from a single vineyard. Ripe plum flavors, silkiness and good volume on the palate. Black berry fruit and spicy notes of black pepper and clove. The result is a complex wine of intense flavors that linger on a long, velvety finish. **\$40/btl**

2024 Engine House Sauvignon Blanc

Lemon grass, lime, pineapple with a hint of jasmine. The brisk acidity gives way to tastes of gooseberry and fresh herbs. Very clean with a balanced finish. New Zealand style Sauvignon Blanc. The fruit is sourced from a well established riber bottomm vineyard in Big Valley, Quercus Ranch. The soiles of the Big Valley allows the vines to express concentration and intensity. **\$28/btl**
